Gain high-value exposure and prominent recognition for your company, products and services through one of our sponsorship opportunities.

A-La-A Carte Sponsorships

Meeting App: \$25,000 (2 available)

Attract more attention before, during and after the meeting as a sponsor of the official meeting app. The opening splash screen helps you to make a strong first impression; users will see this half screen promotion every time they open the app. Rotating banner ads help you attract more leads by rotating up to 3 different banner ads per sponsor at the top of the screen that users will see the entire time they have the app open. Ad clicks will drive traffic to your exhibit booth or company/product website.

Column Wrap: \$10,000 (limited availability)

Display your product or corporate message prominently on all four sides of a column for all attendees to see as they enter and exit the meeting space.

Meeting Area Wi-Fi: \$5,000 (exclusive)

Sponsor Internet access for all attendees. Your company will be promoted everywhere we advertise the Wi-Fi connection and password. Wi-Fi is available in the meeting space as a complimentary benefit to attendees so they can view the meeting app content as well as for business/personal use.

Program Notebook Ad Options:

\$3,500 premium cover 3 (exclusive)

\$2,500 inside page (limited)

Corporate branded ad on program notebook provided to all attendees so they can take notes during presentations (and because attendees are always asking us for more paper!).

Pens: \$3,000 (exclusive)

Corporate logo on the pens provided to all attendees so they can take notes during presentations (and because attendees are always asking us for another pen!).
